FISCAL IMPACT STATEMENT

LS 6503

BILL NUMBER: SB 189

NOTE PREPARED: Dec 18, 2004

BILL AMENDED:

SUBJECT: Notice of Meetings.

FIRST AUTHOR: Sen. Mrvan

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: X **GENERAL**
DEDICATED
FEDERAL

IMPACT: State & Local

Summary of Legislation: This bill requires a public agency to give notice of the agency's meetings to any person who makes an annual request for notice. It also requires the public agency to charge a \$10 fee for providing notice by mail. This bill also requires notice to be given not less than five business days before a meeting that does not deal with an emergency.

Effective Date: July 1, 2005.

Explanation of State Expenditures: This bill increases the meeting notification requirements of state agencies that fall under the state's Open Door Law. The bill's provisions could increase the affected agencies' administrative burden and postage costs. However, administrative and postage costs are expected to be absorbed using existing staff and the fee revenue received from the annual notification fee authorized by the bill. (See *Explanation of State Revenues*.)

Increases in an agency's office supply and postage costs may be partially offset if the bill's provisions for electronic notification encourage interested parties to forgo receiving traditional mail notification.

Under current law, public agencies are required to provide notices via mail, e-mail, or fax to media organizations that deliver a written request for notification prior to January 1 of each year. This bill expands the notification service to include all persons who deliver to a public agency an annual written request for notification.

Explanation of State Revenues: The bill allows agencies to collect an annual fee of up to \$10 from persons

wishing to receive mailed notices of meetings held throughout the year. The impact of this fee on state revenue will depend on each agency's specific action and the number of requests each agency receives.

Persons requesting e-mail notification of an agency's meetings are not subject to the \$10 fee.

Explanation of Local Expenditures: Local agencies falling under the state's Open Door Law will also be subject to the bill's requirements.

Explanation of Local Revenues: Local agencies falling under the state's Open Door Law may also charge a fee of up to \$10 for providing mailed notices.

State Agencies Affected: Agencies governed by the state's Open Door Law.

Local Agencies Affected: Agencies governed by the state's Open Door Law.
